OVERVIEW

Boyd Visuals manufactures Framed, Wrapped Edge (frameless) and Easy Clean Pinboards that are available in a wide range of colours and textures.

CUSTOM OPTIONS

We have a large range of different options available. We can create framed and wrapped edge (frameless) pinboards in any fabric swatch you would like and in almost any size! They can also be made with Velcro receptive fabric or eco friendly Easy Clean linoleum pinboard material, which is perfect for healthcare environments because of its hygienic, non-porous, wipeable surface where pin holes close after extraction.

MOUNTING

Concealed wall fixings are included with Pinboards

SIZING OPTIONS

Custom Pinboards are made to the size you require in your space.

MATERIALS

Standard

- Textilia New Ranger – 100% Polyester
- Textilia Quantum – 100% Polypropylene
